Statement of intent

St Chad's Catholic Primary School believes in creating a safe, welcoming and stimulating environment for all the children in its care. The school believes that a safe social atmosphere helps children of all ages to develop their social skills and confidence.

In order to help and support parents, the school aims to provide an affordable and convenient wraparound and holiday childcare service. Breakfast, after-school and holiday clubs are made available to children aged 3 to 11, allowing parents more flexibility with their working hours.

The clubs cater for up to 60 children at a time, ensuring that there is a minimum staff to child ratio of 1:20 at all times.

The school also provides numerous extracurricular clubs and activities as a method of developing children's social, behavioural and academic skills. All clubs and activities are conducted to the same high standard as that of the educational provision.

Wraparound and holiday childcare, and extracurricular clubs and activities, may include provision by external providers – appropriate safeguarding procedures will be followed with regards to these.

1. Legal framework

2. Wraparound and holiday childcare

Wraparound childcare is defined as childcare provided by a school that runs outside of normal school hours, e.g. breakfast clubs and after school clubs.

Holiday childcare is defined as childcare which is provided during school holidays.

Parents have the right to request that the school considers the provision of wraparound and holiday childcare for children in Reception up to Year 6.

Where there is demand, the school may provide wraparound and holiday childcare services for children under the age of 5 years old, but it is not obliged to do so.

The charges for wraparound and holiday childcare will be broadly cost neutral. Any profit that the school makes from providing these services will be reinvested in the service or in the school.

The process for handling requests from parents is as follows:

- Parents are informed of their right to request wraparound and holiday childcare, the timetable for the process and the correct process they are expected to follow when making requests
- Parents are informed of the threshold for considering requests – this is five requests
- The demand for a childcare service is calculated
- Where the threshold is reached, the Executive Principal will discuss with the LA and consult with the governing board to decide whether the school will provide the service
- Within eight weeks from the count of the number of requests, parents are informed of the school's decision, including the number of requests received and the reasons behind the decision

Parents may exercise their right to request that the school considers the provision of childcare during the first two weeks of every term; requests made outside of this time period may not be considered.

Parents are advised to submit written requests or emails describing the type of service they require, the times of day when the provision is required and the age of their children.

All requests from parents are recorded and dated, and stored in the main office in accordance with the school's Data Protection Policy.

The school is permitted to refuse to provide the service only under the following circumstances:

- There is a lack of a suitable space
- There is a lack of demand from parents
- The school is unable to make arrangements with partner organisations
- A similar service is already available and can be used without difficulty
- The school has been placed in special measures

Where the school opts to provide the service, parents are informed of the allocation of places as soon as is practically possible.

If the school is unable to provide the service, parents are signposted to the local Family Information Service for up-to-date information about alternative childcare services in the area.

3. Roles and responsibilities

The governing board will:

- Maintain strategic oversight of how the 'right to request' process is working.
- Provide support to the Executive Principal in deciding whether the school should provide new childcare services.
- Ensure that child protection and safeguarding policies and procedures are updated to reflect any childcare provision provided by the school.
- Hold the Executive Principal and AOM to account for the performance of the childcare services.

The Executive Principal will:

- Discuss with the LA and consult with the governing board about the viability of any new childcare service.
- Recruit any additional staff required for the childcare service and line manage the childcare service's staff.
- Report to the governing board on the performance of the childcare service.
- Manage any complaints relating to the childcare service.

The AOM will:

- Determine the financial viability and practicalities of any new childcare service and offer evidence-based recommendations to the Executive Principal as to whether the school should provide the service and how it should be delivered i.e. in-house, blended or externally-run.
- Ensure that employment contracts are revised for school staff working at the childcare service.
- Ensure that the appropriate risk assessments have been undertaken in respect of the childcare service.
- Ensure that the appropriate insurance is in place for any new childcare service.
- Ensure that any reasonable adjustments are made to allow disabled children access to the childcare service.
- Implement an appropriate payment system for the childcare service.
- Purchase materials and equipment for the childcare service.
- Market the childcare service on various channels.
- Maintain financial records for the childcare service.
- Review and update facilities management policies and procedures to ensure that they cover the childcare service, e.g. cleaning, maintenance and security.
- Where requested, report to the governing board on the financial performance of the childcare service.

The SENCO will:

- Review and update existing equal opportunities policies to reflect any new childcare service, and then ensure that the service and its staff adhere to those policies and procedures.
- Ensure that staff working at the childcare service consider the needs of children with SEND when planning their activities to prevent discrimination, promote equality of opportunity and foster positive relations.

The DSL will:

- Review and update existing child protection and safeguarding policies and procedures to reflect any new childcare service, and then ensure that the service and its staff adhere to those policies and procedures.
- Ensure that any additional staff (both paid and volunteers) recruited for the childcare service complete an enhanced DBS (with barred list) check before they care for children.

4. Dealing with requests from external childcare providers

The school records all requests from providers, informing them of the timetable for processing requests. The school adheres to the following steps:

- A meeting is arranged with the provider to discuss their proposal
- The demand for the provision is established
- The practicalities of establishing the provision are identified

Requests from providers who already offer childcare services to the school are considered.

The school assesses whether the current providers can establish the provision, and then reviews the proposal in the same manner as other requests.

The school is permitted to reject a proposal from a childcare provider under the following circumstances:

- The provision is unsuitable
- The information provided is insufficient
- Value for money cannot be guaranteed
- The quality of the provision is inadequate
- There is a lack of capability to deliver the provision

The school informs the external provider of their decision within eight weeks of the submission of the proposal.

When the school accepts a proposal, they agree a plan with the external provider which describes how the provision will be established.

The school ensures that a clear framework is established for the delivery of the provision, which includes the following information:

- Aims and objectives
- A description of the childcare service
- Pricing information
- Arrangements for marketing and informing parents

5. Admissions and fees

The school has a first come, first served policy for admissions to wraparound services. When all the places have been filled, new applications are placed on a waiting list. The following cases are prioritised:

- Siblings of pupils already attending the school
- Pupils who attend the school
- Children living in the area who attend other schools
- Siblings of children living in the area who attend other schools

The pupil premium first strategy may be used to enable disadvantaged pupils to access wraparound and holiday childcare.

The standard daily fee for attending the breakfast club is £5. Additional siblings are half-price at £2.50. The after-school care club is £5 per hour and half-price for siblings.

The following conditions are also in place:

- All fees must be paid weekly
- Fees to be paid through school online finance system
- No place will be given without prior payment
- The clubs accept childcare vouchers and tax-free childcare payments.
- Fees are charged if attendance is booked and the child does not attend
- There is a fee of £10 for the late collection of children

6. Extracurricular clubs and activities

A wide variety of extracurricular activities are offered with the aim of developing pupils' life skills, such as clubs – these are not the same as wraparound care.

Extracurricular activities are also used to prepare pupils for further education and professions, as well as give pupils the chance to explore things which they've never encountered by exploring beyond the national curriculum.

A range of opportunities are provided to pupils to promote a healthy lifestyle and support pupils' wellbeing, such as drama club to develop pupils' confidence and sporting activities to encourage team work.

All clubs are available to a mix of age groups, ensuring that pupils are given the opportunity to interact with others who have similar interests, rather than always being with classmates or small groups.

Where possible, the school links extracurricular activities to work experience and volunteering in order to help prepare pupils for further education.

In order to ensure that pupils' interests and needs are met, pupils are given the opportunity to contribute to the planning of extracurricular clubs and activities.

Extracurricular clubs and activities are provided at a cost of approximately £1.50 per week, bookable for the half-term.

All clubs and activities follow a first come, first served policy in relation to admissions. When all the places have been filled, new applications are placed on a waiting list.

Extracurricular clubs are organised, managed and conducted in accordance with the school's existing policies.

The staff to pupil ratio for extracurricular clubs is legally compliant, deemed by the age of the children and level of qualification of the member(s) of staff running the club.

Pupils partaking in the club/activity are registered at the beginning and end of the session in order to ensure that nobody is missing.

All extracurricular clubs and activities follow the same procedures and protocols as the school's extended services.

Whilst clubs and activities are being conducted, the designated member of staff leading the extracurricular club is responsible for the safety and welfare of all pupils.

Appropriately trained members of staff partake in clubs and activities where SEND provision is needed.

Extracurricular clubs do not discriminate against pupils with SEND.

7. Arrivals and departures

The school is fully committed to the safety and security of all the children in its wraparound, holiday and extracurricular clubs; therefore, several procedures are in place for when children arrive at a breakfast or after-school club:

Breakfast clubs

- Parents drop their child off at the breakfast club.
- Attendance is recorded in the breakfast club's register; the parents of any pupil who was booked to attend, and is not present when the register is called, are contacted immediately.
- A member of the school staff will collect pupils from the breakfast club and escort them to their respective classes.
- The staff member collecting the pupils will be informed of any pupils that did not attend the breakfast club as expected; the school will follow its Attendance and Absence Policy if the whereabouts of those pupils remain unknown after registration is called.

After-school clubs

- Children meet in the designated classroom or school hall.
- Reception, Year 1 and Year 2 pupils will be escorted to the collection point by their class teachers and recorded in the after-school club's register upon arrival, whilst older pupils will find their own way. If a pupil arrives at the collection point, but is not on the register, a staff member will check with the school office.
- Where there are children booked to attend the club, but they have not arrived, the school office will call the children's parents immediately.
- Where parents cannot be contacted, and the whereabouts of any children remains unknown, the club will follow the procedures outlined in [section 9](#) of this policy.

The school has the following procedure in place for when children leave an after-school club:

- If the registered person is running late, staff must be notified before the end of the collection period by the registered person. If no notification is received, the club will follow the procedures outlined in [section 10](#) of this policy.

Children over 10 years old can leave the premises unaccompanied if written permission is given by the parent.

Children under 10 years old are not permitted to leave the premises unaccompanied.

8. Involving parents

The school aims to achieve effective communication with parents; therefore, it has the following protocols in place to ensure effective information sharing:

- Parents are invited to visit the facilities before their child attends.
- All members of staff take note of information from parents that could affect the happiness and wellbeing of their child.
- Parents are welcomed at the collection point to exchange information and provide updates on their child's wellbeing.
- An annual survey is conducted to collect feedback and improve services.

9. Missing child procedure

The school has procedures in place to ensure the safety and wellbeing of all the children in the school's care.

The school ensures it holds at least two emergency contacts for each pupil registered at the club.

All staff are informed of the missing child procedure as part of their induction.

If at any time a child cannot be located, the following steps are taken:

- All members of staff are alerted that a pupil is missing.
- Members of staff conduct a search of the premises and the surrounding area.
- At least one member(s) of staff stays with the other children involved in the club, in order to prevent further problems and keep a calm atmosphere.
- If the child is not located within 10 minutes, the police and the parents of the child are informed.
- The search for the child continues until the police arrive.
- The Executive Principal liaises with the police and the parents of the child.

10. Uncollected children

Staff members do their best to ensure effective communication between clubs and parents. If a parent is up to 10 minutes late, the following procedures are followed:

- The parent is reminded that they must notify a member of staff if they are running late
- The parent is warned that they will be receiving a penalty fee

If the parent is over 10 minutes late (and school have had no contact from parents), the following procedure is followed:

- A member of staff attempts to contact the parent using the details provided on the registration documents
- If contact is not made, a message is left. The member of staff then attempts to reach the emergency contacts listed on the registration form
- For the duration of the wait, the child is supervised by two members of staff

- When the parent arrives, they are issued with a penalty notice of £10 that they were late collecting their child. They will also be warned about their child's place in the club in the future and the expectation to collect on time.

If the parent is more than 30 minutes late, the following procedures are followed:

- If a member of staff has not reached the parent or an emergency contact, they contact the local social care team for advice and the police, if necessary.
- The child remains on the premises with a member of staff, or is placed with the local social care team or police
- If the child has left the premises with the local social care team, an email and text is sent informing the parent of the child's location. A contact number and address is given.

11. Health and safety

All members of staff at the school are aware of their responsibilities and duties in regards to the Health and Safety Policy. All members of staff are responsible for:

- Recording incidents, accidents and near misses.
- Maintaining a safe environment for children and adults.
- Taking part in any relevant health and safety training.

12. Safeguarding

All members of staff and volunteers are suitable to be working with children in wraparound care.

All staff employed to work with children in wraparound care, up to the age of 8, are permitted to work with children and are not disqualified from working in a school, in accordance with the Childcare Disqualifications Regulations 2018.

Child protection and safeguarding extends to all wraparound care provision and the school expects all staff and volunteers involved in the provision of wraparound care to read and adhere to the Child Protection and Safeguarding Policy.

The Child Protection and Safeguarding Policy is provided to all staff and volunteers involved in wraparound care upon induction.

Any safeguarding matters are raised with the DSL or deputy DSL as soon as possible. In the event that the DSL or the lead deputy are not available before or after school hours, safeguarding issues are raised with another deputy DSL.

Where the school receives an allegation regarding an external provider that has utilised the school premises, the school will follow the usual safeguarding procedures set out in the Child Protection and Safeguarding Policy, and ensure that the LA designated officer (LADO) is informed.

13. Illness and injury

In the event of illness or injury, the school will act in accordance with the Health and Safety Policy and the First Aid Policy.

All members of staff are trained in first aid and are aware of their duties if a child is injured or becomes ill. In cases of minor illness or injury, the following procedures will be adhered to:

- If a child becomes ill, the parents are contacted and asked to collect their child
- If a child is complaining of illness, but the member of staff does not believe it is serious, they monitor the child until the end of the session
- If a child suffers a minor injury, first aid is administered and the child is closely monitored for the rest of the session

- The parents of the child are notified immediately
- Following the incident, members of staff conduct a review of the incident in order to prevent any such incident from occurring in the future

14. Medication

Members of staff always act in accordance with the school's Supporting Pupils with Medical Conditions Policy and Administering Medication Policy.

Members of staff are aware of the importance of administering prescribed medication to children. The school and its clubs understand that parental consent is crucial and has the following rules in place for administering medication to pupils:

- Before any medication is given, the child's medical forms are checked to see if the medication has been approved by the parent.
- When a member of staff administers medication, another member of staff witnesses the process.
- Details of the process are recorded on the child's medication form.

- If there are changes to the dosage or frequency of the medication, the changes are recorded on the medical forms. Parents are required to sign the forms again before any change in procedure.

15. Behaviour

The school's wraparound childcare services are subject to the existing Behaviour Policy; disciplinary issues are reported to the parents of the child.

Repeated breaches of the Behaviour Policy may result in the child being barred from attending the clubs.

Any outstanding fees paid by the parent are returned if a child is barred from attending the clubs.

16. Anti-bullying Policy

The school has a strict Anti-bullying Policy which is be implemented at all times.

Any child who is the victim of bullying is supported in a sympathetic and friendly manner.

If bullying is reported, it is noted and investigated by a member of staff and the parents of both children are informed.

Bullying of a sexual nature will **never** be tolerated and will be addressed according to the procedures outlined in the school's Child Protection and Safeguarding Policy. Where crimes, such as rape, assault by penetration, sexual assault and up-skirting, are included in a report of bullying, the police will be notified.
